

DIVISION OF RESEARCH, INNOVATION AND SYSTEM INFORMATION
Preliminary Investigations In Progress
October 2, 2018

Program Steering Committee	Title	Kickoff Meeting
Construction	Project Labor Agreement (PLAs)	6/14/2018
Design	State of the Practice of Highway Roadside Stormwater Management Using Green Infrastructure.	5/10/2018
Design	Increase Recycling of Materials used for Highway Construction	6/1/2018
District	Diverging Diamond Slope Down Barrier Ends	9/27/2018
District	Caltrans Travel Forecasting Guidelines	10/8/2018
DRISI	Workforce in 20 years - Work/Facility needs	8/6/2018
Environmental	Assessing LED Street Lighting Impacts to Sensitive Wildlife and Potential Avoidance and Minimization Procedures	4/3/2018
Environmental	Assessing Permanent Shading Impacts on Riparian Plant Species and Habitat	7/27/2018
Environmental	Underwater LED Light Guidance Devices	10/9/2018
Geotech/ Structures	Methods of handling Contractor submittals at any phase of the project with web-based submittal systems for Pre-Contract Award and during Construction.	8/1/2018
Modal	California Aviation System Plan	4/4/2018
Modal	Earthquake Early Warning Alert Integration with Positive Train Control	9/21/2018
PPP	Identify Methodology for Data Collection of Bicycle Collisions on Bikeways, Walkways, and Shared-Use Paths	3/1/2018
PPP	Determining Rates and Influences on Mode Shift between Various Classes of Bikeways	8/23/2018
ROW/LS	RWLS Quantifying Risk for Cost Estimates	6/4/2018
TSM	Collision Diagramming	9/13/2018

Key

PPP - Planning, Policy, Programming
ROW/LS - Right of Way/Land Surveys
TSM - Transportation Safety and Mobility
